Peninsula Group Slates Class in Guitar Styles

Bernard Pearl, founder of the Ash Grove School of Traditional Folk Music in Hollywood and San Fernando Valley, will conduct a class in guitar styles for the Palos Verdes Community Arts Association this spring. The class, for advanced students, will cover such guitar styles as blues and finger picking. It will be given at the Lunada Bay workshop, 2215 Via Anacap. Pearl, who earned his bachelor's degree at the University of California at Los Angeles, is an expert on American folk guitar styles. He will instruct two classes on Tuesday evenings. One session will be held at 7 o'clock, and a second meeting will begin at 8:30. The classes will meet for 12 weeks, beginning March 1. Registration for the class will be held Monday, Feb. 7, for members of the Community Arts Association. The general public may register Feb. 8 through 12 from 10 a.m. until 4 p.m. Information may be obtained by calling FR 8-4646.

Membership Drive Ends First Week

More than 200 sustaining memberships in the Angeles Girl Scout Council were received last week as the \$100,000 annual membership enrollment campaign completed its first week.

The drive was officially launched Friday, Jan. 14, by John S. Ward Jr., chairman of the finance services committee, and F. Graydon Bates, vice chairman of the 1966 Sustaining Membership Enrollment Campaign.

Supervisor Ernest E. Debs, who serves as general chairman for the 1966 campaign, has reported the receipt of two \$1,000 memberships.

"Reports coming to my desk from the field indicate a successful campaign in the days ahead," Bates said. First official reports on the drive are due this week.

The goal for the month-long campaign is \$100,000 in sustaining memberships, Bates said.

Airport Group Meets Tomorrow

Members of the city's Airport Commission will meet tomorrow at 8 p.m. in the City Council Chambers at city hall, 3031 Torrance Blvd.

Commissioners will consider rules to permit temporary operations at the airport pending approval of leases or permits by the City Council.

VA Checks To Include Questions

Veterans and dependents of veterans on VA's compensation and pension rolls who have school age children will receive a special questionnaire with their February checks, according to Mort Webster, manager of VA's Southern California Regional Office.

The checks and questionnaires will arrive about Feb. 1. Need for the information asked by the questionnaire follows a recent law that provided higher rates of payment for school children and at the same time raised the maximum age limit from 21 to 23.

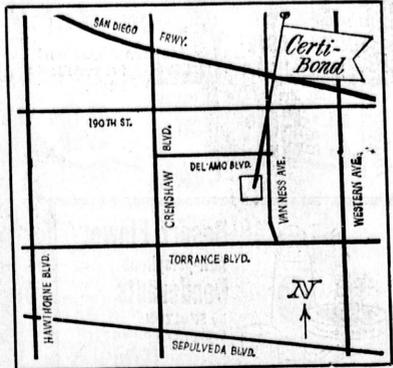

The questionnaire also asks for the payee's zip code number in keeping with current postal regulations in order to speed up the delivery of both checks and correspondence. A space is also provided for the payee's social security number, so that identification files may be kept up to date.

The questionnaire should not be mutilated nor folded and all questions should be answered before the card is signed. A special addressed envelope is provided for the return of the questionnaire.
